Late Excursion to Atlantic City

The last opportunity to enjoy one of the cheap rate excursions to At-

lantic City, which have been run during the summer by the Baltimore and Ohio R. R., will be offered on Thursday, August 25th. The same low rates will be provided as heretofore from all points on the Valley Division and all intermediate stations to Washington Junction, Md., and as it will be the last excursion of the season no doubt it will be largely patronized by those who have no visited the seashore during the heated term. The train service provided for these excursions is unexcelled, and the country through which the express trains pass stands without a rival in the picturesqueness and va-

riety of its scenery. Tickets will be valid for return ourney for twelve days from day of sale, also to stop over in Philadelphia during night of August 25th; and vill be good on all regular trains On return journey they will be good to stop off at Washington, thus affording an opportunity to visit the numerous public buildings, which are open to visitors free of charge, and to take a trip down the Potomac to Mt. Vernon, the tomb of Washington, as well as to visit other places of interest in and near Washington.
